Education Program Supervisors  
Public Schools District Supervisors  
Public Schools Principals/ School Heads/School-in-Charge  
Elementary & Secondary Schools Science Coordinator  
This Division

1. Monitoring and evaluation is an integral part in curriculum implementation. Quarterly assessment is one of the areas constantly monitored by the Curriculum Implementation Division to provide bases for curricular improvement vis-a-vis aim in giving quality and accessible education for all.
2. As such, **all public schools**, through their **school science coordinators**, must submit data on the Implementation of K to 12 Science Education: Quarter 3 via Internet- and Cloud-based Learning Assessment Submission System (Iclass).
3. iCLASS aims to: (1) eliminate inconsistency of school/district form formats; (2) consolidate data automatically; and (3) provide open access data submission.
4. The school science coordinator shall answer the following in the portal as part of the questionnaire: a) Issues and Concerns; b) Resolution and Intervention as to 1) Curriculum Implementation; 2) Learning Resources and 3) Assessment of learning.
5. Commonly used interventions in teaching Science shall also be included in the submission per grade level.
6. **This is not an individual teacher submission, schools must consolidate data per year level prior to submission. School Science Coordinators are advised to check the portal first before answering.**
7. Below are the portals for submission. **The portals will be closed on February 29, 2020**. Copy of the consolidated data will be given to District Science Coordinators, in return they shall provide intensive reminder to their school counterparts.
