This Division

1. In reference to Regional Memorandum No. 201, s. 2021, the Philippine Science High School will be organizing a capability-building activity for Grade 10 learners of PSHS and public and private schools. This activity which is part of multi-phased project entitled "PisayCom", aims to strengthening Science Communication.
2. The capability-building will have a resource speaker on expressing science concepts to layman's term in a variety of media. There will be two (2) synchronous and eight (8) asynchronous sessions from April to June 2021.
3. The target participants are Grade 10 learners from **Regional Science High School, Legislated Science High Schools and STE Implementing Schools**. Participation is free of charge but will be limited to 1,000 learners only. Those who will not be accommodated in the synchronous session may watch the session through FB live. Interested learners may register at <http://bit.ly/RegisterPisayCom>. Registration will be on March 26 - April 16 while the first synchronous session is on April 26.
4. For interested students who are not from the identified schools mentioned above can also watch the sessions through FB live.
5. For more information, please contact Mr. Rommel Ross Oba, Seniro Science Research Specialist, Philippine Science High School at email rrcoba@pshs.edu.ph or at landline number 8939-0022
6. Wide dissemination of this Memorandum is highly enjoined.
