Dear Dr. Berte,

Good day!

This is to acknowledge receipt of your letter informing us with your initiative for the implementation of the program of the City Government of Surigao by disseminating thru Division Memorandum 364, Series of 2018 to all schools relative to the implementation of City's Executive Order No. 21, Series of 2018.

In this we appreciate much and thankful for your continued support by initiating a **MEMO ORDER**. For this reason, I am furnishing you copy of the **SUMMARY REPORT** of Schools as to the status of those who responded and implemented the program.

Furthermore, once again we would like to request if we can possible advice and/or direct all schools for a religious implementation of the program.

Looking forward for a close coordination with the responsible person/staff in charge of the program so that we can properly conduct a Massive and simultaneous implementation to respective schools within the city.
