Dear RD Bringas:

In view of the upcoming celebration of the 2019 Consumer Welfare Month (CWM) this October, DTI will hold a nationwide Short Film Competition as part of the series of events of the CWM.

This year's theme is "Sustainable Consumption: Understanding the Impact of Consumer's Choices in a Shared Environment".

Acknowledging how talented the students of Caraga are, we believe our region will have a great chance to bag the top award in this national competition.

Participants of the said competition are Senior High School students, both public and private.

This event aims to encourage consumers and businesses to take action on any of the following consumer issues through a short film:

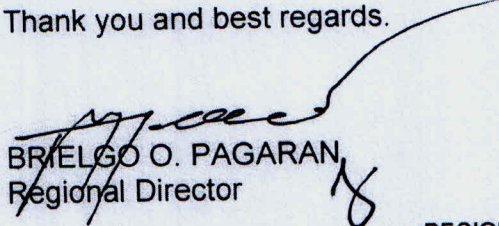

- Sustainable Consumption;
- Digital Commerce; and
- Vulnerable Groups (Senior Citizens, PWDs, children)

In line with this, we would like to seek your assistance in ensuring that all DepEd Schools Divisions will submit entries per category at our regional office on or before 18 September 2019. DTI-Caraga will only have one (1) entry per category to the National Level. Adjudged Best Picture will receive P100,000.00 worth of gift certificates, and P50,000.00 for Best Short Film in each category.

Our DTI Provincial Offices will be coordinating with their DepEd counterparts in their respective areas. Attached are copies of the Short Film Competition mechanics for your guidance.

We will appreciate receiving a copy of your Regional Memo Order to this effect.

Thank you and best regards.
