1. Relative to the program improvement plan for the current year 2019, it is necessary to map out the number of teachers per school who have included for integration the concepts on drug education, awareness and prevention and or any topic related to drug prevention campaign. This move is in support to the implementation of National Drug Education Program (NDEP) or Preventive Drug Education in schools as DepEd's banner program in consonance to Republic Act No. 9165 otherwise known as "Comprehensive Dangerous Drugs Act of 2002"

2. This mapping of teachers will be based on the 2018 implementation of lesson integration. All School Heads in the elementary and Secondary Schools are requested to count all the teachers by grade levels from Grade 1 to Grade 12 who have integrated NDEP/PDE in their instructions.
