1. Being mandated by Republic Act No. 9155 otherwise known as the Governance of Basic Education Act of 2001, the Department of Education (DepEd) had already undertaken education researches that served as the bases for necessary reforms and development contained in (a) DepEd Order (DO) No. 13, s. 2015—The Policy Development Process; (b) DO 39, s. 2016—Adoption of Basic Education Research Agenda; and (c) DO 16, s. 2017—The Research Management Guidelines. These policy interventions are expected to have guided all governance levels to strengthen the internal processes and systems towards evidence-based decision-making.
2. To strengthen the culture of research further and to support policy interventions, DepEd will conduct the **2019 Research O'clock** from February to November 2019 at the Bulwagan ng Karungan. Please see the enclosure for the schedule, themes, and indicative topics.
3. The forum primarily sought to promote the uses of research results and evidence in decision-making, program designing and implementation, plan formulation, and adjustment. Specifically it aims to:
  - a. provide a venue for DepEd offices to learn from researches done by different sectors and organizations; and
  - b. promote open discussions and continuous learning experience for education leaders, researchers, policy makers, and educators in the basic education sector.
4. For this year's research forums, selected researches from the Basic Education Research Fund (BERF) will be presented, together with other studies conducted by partner organizations.
5. All DepEd personnel, research practitioners, research enthusiasts, policy makers, program managers, and individuals with interest in specific education issue or topic from different sectors are invited to attend the forums.
