To: Schools Division Superintendents
 Asst. Schools Division Superintendents

 Division Subject Supervisors

1. The Alternative Delivery Mode (ADM) Inventory of Modules of the eight (8) learning areas has already been edited by the regional and division subject supervisors in the region and available for use by the teachers of Grades 1 - 10 for Summer Classes and during the Opening of Classes for SY: 2020-2021.
2. The main objective of this regionally initiated inventory is to provide the divisions and schools the Modules that are culled out from the DepEd portal. Teachers can access the portal at <http://deped.in/admLR>.
3. The Modules can be downloaded through the link at <https://bit.ly/CaragaADM> and the divisions can already print and/or send them to schools for reproduction using their Maintenance and Other Operating Expenses (MOOE) budget. Although these modules are purely suggestive, the teachers can still use their own materials that are applicable to their students based on the modality of their choice.
4. The regional office is extending thanks and gratitude to the Chiefs of Curriculum Implementation Division, Division Subject Supervisors, Division LR Teams, District Supervisors, Schools Heads and some Master Teachers for their efforts in realizing the said inventory.
